

Warranty Certificate

This document will serve as the **Warranty Certificate** for the instrument delivery for BOBER network, supplied by Vaisala Oyj., to *Republic of Slovenia, Ministry of Agriculture and the Environment, Slovenian Environment Agency, ARSO*. This document signifies the end of the installation phase and the transition to the warranty phase. This is not intended to be a checklist of all items delivered. The certificate meets the contractual requirements for both *ARSO* and Vaisala Oyj. for system acceptance.

The following acceptance includes the listed items:
